SALON C. STELLAR

Salon C. Stellar is a sensorial, experience-centric skin and well-being clinic based in London. Founded by Andrea Pfeffer, the clinic creates a space where ancient wisdom meets modern science, treating self-care as both a personal and collective practice. Known for treatments like "The Best Facial," Salon C. Stellar offers bespoke services tailored to individual skin needs.

Dermalux LED Light Trip
30 minutes | £50

Experience the transformative power of our medically certified Dermalux Tri-Wave MD LED therapy. This session utilises three wavelengths simultaneously to address various skin concerns, including acne, pigmentation, and redness. Enhance your relaxation with an optional guided meditation during the light therapy.

The Best Facial
45 minutes | £145 75 minutes | £195 90 minutes | £235

It's a bold claim to call this the best facial, but it truly lives up to its name. Our signature treatment is meticulously tailored to your skin's unique needs, seamlessly blending ancient wisdom with cutting-edge science. Each session begins with a deep cleanse, followed by gentle exfoliation and precise extraction, ensuring a flawless canvas. We then infuse your skin with a bespoke blend of pharmaceutical-grade vitamins and amino acids, nourishing it at the cellular level. To elevate the experience, we incorporate advanced modalities such as radio frequency, renowned for its skin-tightening benefits, and the Dermalux Tri-Wave MD LED system, which enhances cellular renewal. The result is a revitalised, radiant, glowing complexion that exudes health and vitality.
